CERTIFICATION CLAUSE

Nous certifions que, sauf exception ou dérogations énumérées ci-contre, la fourniture citée a été fabriquée conformément aux spécifications techniques du marché, commande ou sous-commande du client et que, toutes opérations de contrôle et essais effectués, elle répond sous tous ses aspects, aux spécifications particulières, ci-jointe, aux plans, ainsi qu'aux normes et règlements en vigueur s'y rapportant.

We certify that, apart from exceptions or concessions listed below, the supply concerned has been manufactured in accordance with the technical specifications contained in the customer's contract, purchase order or sub-contract and that, all inspection operations and tests having been carried out, it is conforming, in all points, to the particular specifications, therein included, the applicable drawing and current standards and rules.

User / Installer Responsibilities			
Note: 1 It is important to understand that the existence of the document alone does not automatically constitute authority to install the part/component/assembly. 2 Where the user/installer works in accordance with the national regulations of an airworthiness authority different from the airworthiness authority specified in block 1 it is essential that the user/installer ensure that his/her airworthiness authority accepts parts/components/assemblies from the airworthiness authority specified in block 1. 3 Statements 14 and 19 do not constitute installation certification. In all cases the aircraft maintenance record shall contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.
